NEW CIH Level 4 Certificate in Housing

“I wanted to improve my knowledge at a management level. The Level 4 Certificate was an ideal fit for me as it was purely distance learning which meant I didn't have to attend study blocks.

“The CHS tutor was very supportive throughout and despite being a distance learning course I still felt part of a group.

“I was absolutely delighted to achieve the Level 4 Certificate as it gave me confidence that I 'know my stuff' and the knowledge I've gained has been invaluable for my job; I would recommend this course to anyone looking to expand their knowledge and career.”

John Spencer, New Foundations

- Next course starts 4th July
- Taught by Distance Learning
- Student Loans available
- Progression route to the Foundation Degrees

NEW Foundation Degree in Housing

“I thought I'd missed the boat, so I was delighted that I could actually achieve a degree! I felt an OU type of course would not have been the best option as I knew I needed more than self-motivation to study at a degree level. The study blocks have been invaluable, the tutors and the students have helped me greatly, not only with the subjects we have learnt, but in helping me to network and develop partnerships. It has helped me to be able to understand the bigger picture and in doing so, I feel, I can give a better service to our residents.”

Sara Leith, CEO Coventry Charity
